

How to make a Mobile Deposit

First, insure you are signed up for online banking and mobile deposit. Please contact us at (307) 721-5600 if you are unsure.

Second, you'll need to download the UniWyo FCU App on your Apple® or Android® device.

1. Endorse the back of the check, include the following:

- Signature
- Account Number
- Write "For Deposit Only"
- Write "UniWyo FCU"

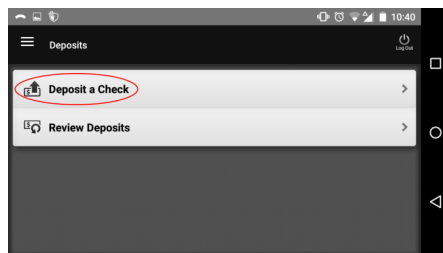

2. Open the App and Log In to your account.

3. Open the dropdown menu in the top left corner, choose 'Deposits'.

4. Choose 'Deposit a Check'.

5. Tap on 'Check Front' and take a picture of the front of your check, follow prompts on screen. For best results, place on a dark background. Make sure the image is in focus.

Tap 'Use' or 'Retake' if the picture is unsatisfactory.

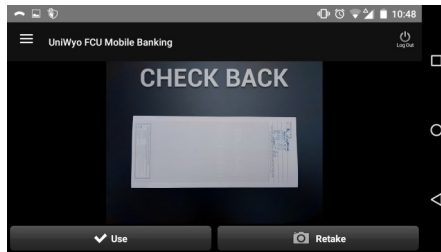

6. Enter the dollar amount in the window.

7. Tap on 'Check Back', and take a picture of the back of your check, follow prompts on screen. For best results, place on a dark background. Make sure the image is in focus.

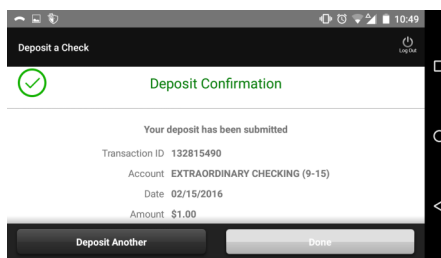

Tap 'Use' or 'Retake' if the picture is unsatisfactory.

8. Select which account you would like to deposit into. Then tap 'Deposit'.

9. You will receive an onscreen confirmation. Choose 'Done' or 'Deposit Another' if you have additional checks to deposit.

10. Retain the check for your records or until you have confirmation the check has been deposited.
